

## **LUB POLICY 04-24-17-01**

### **PUBLIC RECORDS POLICY**

Pursuant to Tennessee Code Annotated (TCA) § 10-7-503(g), the following Public Records Policy for the LaFollette Utilities Board (LUB) is hereby adopted by LUB to provide economical and efficient access to public records as provided under the Tennessee Public Records Act (TPRA) in TCA § 10-7-504, et seq.

The TPRA provides that all state, county, and municipal records shall, at all times during business hours, be open for personal inspection by any citizen of this state, and those in charge of the records shall not refuse such right of inspection to any citizen, unless otherwise provided by state law. See TCA § 10-7-503(a)(2)(A). Accordingly, the public records of LUB are presumed to be open for inspection unless otherwise prohibited by law.

Personnel of LUB shall timely and efficiently provide access and assistance to persons requesting to view or receive copies of public records. No provisions of this policy shall be used to hinder access to open public records. However, the integrity and organization of public records, as well as the efficient and safe operation of LUB, shall be protected as provided by current law. Concerns about this policy should be addressed to the Public Records Request Coordinator (PRRC) for LUB or to the Tennessee Office of Open Records Counsel (OORC).

This policy is available for inspection and duplication in the office of the Director of Administrative Services. This policy is available at [www.lub.org](http://www.lub.org). This policy shall be reviewed every two years.

This policy shall be applied consistently throughout the various offices, departments, and/or divisions of LUB.

## III. Responding to Public Records Requests

### A. Public Record Request Coordinator

- 1. The PRRC shall review public record requests and make an initial determination of the following:
  - a. If the requestor provided evidence of Tennessee citizenship;
  - b. If the records requested are described with sufficient specificity to identify them; and
  - c. If LUB is the custodian of the records.
- 2. The PRRC shall acknowledge receipt of the request and take any of the following appropriate action(s):
  - a. Advise the requestor of this Policy and the elections made regarding:
    - i. Proof of Tennessee citizenship;
    - ii. Form(s) required for copies;
    - iii. Fees (and labor threshold and waivers, if applicable); and
    - iv. Aggregation of multiple or frequent requests.
  - b. If appropriate, deny the request in writing, providing the appropriate ground such as one of the following:
    - i. The requestor is not, or has not presented evidence of being, a Tennessee citizen;
    - ii. The request lacks specificity (offer to assist in clarification);
    - iii. An exemption makes the record not subject to disclosure under the TPRA (provide the exemption in written denial);
    - iv. LUB is not the custodian of the requested records;

- v. The records do not exist.
  - c. If appropriate, contact the requestor to see if the request can be narrowed.
  - d. Forward the records request to the appropriate records custodian at LUB.
  - e. If requested records are in the custody of a different governmental entity, and PRRC knows the correct governmental entity, advise the requestor of the correct governmental entity and PRRC for that entity, if known.
3. The designated PRRC is:
    - a. Regina Kennedy, Director of Administrative Services.
    - b. Contact information: 302 North Tennessee Avenue, P.O. Box 1411, La Follette, TN 37766. Telephone 423-562-3316, fax 423-566-6020, email [regina.kennedy@lubmail.org](mailto:regina.kennedy@lubmail.org).
  4. The PRRC shall report to the governing authority on an annual basis about LUB's compliance with the TPRA pursuant to this policy and shall make recommendations, if any, for improvement or changes to this policy.

**B. Records Custodian:**

1. Upon receiving a public records request, a records custodian shall promptly make requested public records available in accordance with TCA § 10-7-503. If the records custodian is uncertain that an applicable exemption applies, the custodian may consult with the PRRC, counsel, or the OORC.
2. If not practicable to promptly provide requested records because additional time is necessary to determine whether the requested records exist; to search for, retrieve, or otherwise gain access to records; to determine whether the records are open; to redact records; or for other similar reasons, then a records custodian shall, within seven (7) business days from the records custodian's receipt of the request, send the requestor a completed Public Records Request Response Form which is attached as Form B based on the form developed by the OORC.
3. If a records custodian denies a public record request, he or she shall deny the request in writing as provided in Section III.A.2.b using the Public Records Request Response Form B.
4. If a records custodian reasonably determines production of records should be segmented because the records request is for a large volume of records, or additional time is necessary to prepare the records for access, the records custodian shall use the Public Records Request Response Form B to notify the requestor that production of the records will be in segments and that a records production schedule will be provided as expeditiously as practicable. If appropriate, the records custodian should contact the requestor to see if the requests can be narrowed.
5. If a records custodian discovers records responsive to a records request were omitted, the records custodian should contact the requestor concerning the omission and produce the records as quickly as practicable.

**C. Redaction**

1. If a record contains confidential information or information that is not open for public inspection, the records custodian shall prepare a redacted copy prior to

providing access. If questions arise concerning redaction, the records custodian should coordinate with counsel or other appropriate parties regarding review and redaction of records. The records custodian and the PRRC may also consult with the OORC or with the Office of the Attorney General and Reporter.

2. Whenever a redacted record is provided, a records custodian should provide the requestor with the basis for redaction. The basis given for redaction shall be general in nature and not disclose confidential information.

#### IV. Inspection of Records

- A. There shall be no charge for inspection of open public records.
- B. The location for inspection of records within the offices of LUB should be determined by either the PRRC or the records custodian.
- C. Under reasonable circumstances, the PRRC or a records custodian may require an appointment for inspection or may require inspection of records at an alternate location.

#### V. Copies of Records

- A. A records custodian shall promptly respond to a public record request for copies in the most economic and efficient manner practicable.
- B. Copies will be available for pickup at a specified location by the records custodian at 302 North Tennessee Avenue, La Follette, TN 37766.
- C. Upon payment for postage, copies will be delivered to the requestor's specified address by the United States Postal Service.
- D. A requestor will not be allowed to make copies of records with personal equipment.

#### VI. Fees and Charges and Procedures for Billing and Payment

- A. Fees and charges for copies of public records should not be used to hinder access to public records.
- B. Records custodians shall provide requestors with an itemized estimate of the charges using Form A prior to producing copies of records and may require prepayment of such charges before producing requested records.
- C. When fees for copies and labor do not exceed \$20.00, the fees may be waived. Requests for waivers for fees above \$20.00 must be presented to the Director of Administrative Services, who is authorized to determine if such waiver is in the best interest of LUB and for the public good. Fees associated with aggregated records requests will not be waived.
- D. Fees and charges for copies are as follows:
  1. \$0.15 per page for letter- and legal-size black and white copies.
  2. \$0.50 per page for letter- and legal-size color copies.

  - 2. If aggregating:
    - a. The level at which records requests will be aggregated is four (*whether by agency, entity, department, office or otherwise*).
    - b. The PRRC is responsible for making the determination that a group of individuals are working in concert. The PRRC or the records custodian must inform the individuals that they have been deemed to be working in concert and they have the right to appeal the decisions to the OORC.
    - c. Routinely released and readily accessible records excluded from aggregation include, but are not limited to:
